## Jubilee by Jean Ritchie

All out on the old railroad

All out on the sea

All out on the old railroad

As far as I can see

E

Swing and turn jubilee

B A E

Live and learn jubilee (2x)

Hardest work I ever done

Was working on a farm

Easiest work I ever done

Was swinging my true love's arm

Swing and turn...

If I had a needle and thread

As fine as I could sew

I'd sew my true love to my side

And down this creek I'd go

Swing and turn...

Coffee runs in a white oak tree

Sugar runs in brandy

Girls are sweet as a lump of gold

And boys are sweet as candy

Swing and turn...

Sittin in my old car seat

Talking with my mammy

Johnny dropped his piece of bread

So now the seat is jammy

Swing and turn...

On the way to Grandma's house

Forgot my shoes and mittens

Mother says I'm just as bad

As those three naughty kittens
