You shall have a codling when the boat

come in,

You shall have a haddock broiled in a pan, Dance to your Daddy, my little man.

When you are a young man go into the trades,

Find yourself a skill and wages you'll be paid,

Then with all your wages buy yourself some land,

Dance to your Daddy, my little man.

Dance to your Daddy, my little laddie Dance to your Daddy, my little man

When you are a man and fit to take a wife, You shall meet a lass and love her all your life,

She shall be your wife and you shall be her man,

Dance to your Daddy, my little man.

Dance to your Daddy, my little laddie

Dance to your Daddy, my little man

When you are an old man, father to a son, Sing to him the old songs, sing of all you've done

Pass along the old ways, let his song begin, Dance to your Daddy, my little man

Dance to your Daddy, my little laddie Dance to your Daddy, my little man
